Dear Mr. Colonna,

Thank you very much for meeting with our Committee. The Committee members were impressed with the presentation, and they feel they are satisfied with the information which was made available to them. The information was very helpful in fully evaluating your proposal. However, I regret to advise you that your proposal did not meet the criteria set by the Committee.

We thank you for your interest in the participation in oil well fire fighting.

Yours faithfully,

M. al-Rahmani
